**TRANSMITTAL LETTER**

Applicant has noticed that the Sequence Listing submitted on July 2, 2004, contained a number of typographical errors relative to the sequences listed in the application as filed. For example, the Sequence Listing incorrectly indicated that certain sequences included two "d" residues, whereas the "d" was in fact an abbreviation for "deoxy" rather than a separate nucleotide. In order to correct these errors, enclosed herewith please find the following documents:

1. Corrected Sequence Listing (62 pages)
2. Statement Under 37 CFR §1.821 (1 page);
3. Sequence in Computer Readable Form;
4. Amendment Introducing Sequence Listing (1 page); and
5. Return Postcard

Applicant respectfully requests that the enclosed corrected Sequence Listing replace the Sequence Listing that was submitted July 2, 2004. Please charge any fees or credit any overpayments in the fees that may be due in this matter to Deposit Account No. 03-1721.

Respectfully submitted,

*Monica R. Gerber*
